

Propane Express is the official magazine of The Indiana Propane Gas Association (IPGA). IPGA is a trade and membership organization that represents the propane industry in Indiana. Our mission is to promote the proper handling and use of propane, to work for a favorable environment for propane distribution and marketing, and to increase its application by demonstrating propane's value as a clean energy source. IPGA is an affiliate of The National Propane Gas Association.

Propane Express is printed and mailed semi-annually to all independent and multi-state marketers in Indiana as well as associate, individual, and honorary members. It is also sent to companies in other relevant industries including HVAC and PHCC. The publication reaches the desks of over 200 propane professionals throughout the state of Indiana, with a total circulation of over 600. All editorial and advertising is subject to publisher approval and space availability. IPGA reserves the right to refuse any ad that they consider inappropriate and does not hold to the standards and principals of the Association.

The IPGA Membership Directory is published annually each summer and includes a list of all IPGA members, board members, legislators and more. Members include retail marketers of propane gas and appliances, producers and wholesalers of propane, propane appliance and equipment manufacturers and distributors, fabricators of propane cylinders and tanks, transporters of propane gas, and other companies interested in propane.

EDITORIAL SUBMISSIONS

Propane Express accepts unsolicited manuscripts but reserves the right to edit due to space limitations. Opinions expressed by guest writers do not necessarily reflect the views of IPGA. Editorial submissions must be typewritten and sent via email to matt@kdafirm.com.

PAYMENT

Invoices are prepared following the publication of the magazine or directory. Payment is due within 30 days from date of invoice.
